LONG-RANGE LANDSCAPE DEVELOPMENT COMMITTEE UPDATE –

The Long-Range Landscape Development Project will be sending out a survey to those who were unable to attend one of the workshops prior to the last one being cancelled due to COVID. But we want to be sure we have the correct contact information, so if you have not completed and returned the contact form that was delivered to you, please do so by June 10th or send your name, address, phone and email to V4LRDLP@gmail.com. It is very important that we confirm that we have your proper contact information so that you have the opportunity to express your views.

GUEST PARKING SPOTS – Both the American River Drive and Commons Drive areas of Village 4 have parking spots for guests. It is particularly important that we leave those spots free for guests or deliveries at this time. **The spots are NOT to be used for overnight (or several overnights in some cases) company.**

VILLAGE 4 WEB SITE – Our Village 4 website contains good info – check it out at campuscommonsvillage4.com.
