CAMPUS COMMONS VILLAGE 4

APPLICATION FOR ARCHITECTURAL CHANGE REQUEST

(This form is available from the Campus Commons Clubhouse Office)

It is the homeowner's responsibility to obtain approvals for all architectural changes that require such approvals as set forth in the Campus Commons Village 4 CC&Rs and Rules and Regulations. Homeowner's are encouraged to review the Campus Commons Village 4 Architectural Guidelines prior to submitting this application and to review the Annual Policy Statement section "APPROVAL TO MODIFY PROPERTY."

This form is not to be used to request changes to common area landscaping. For landscape changes, use the following form which is available at the Campus Commons Clubhouse office: "APPLICATION FOR COMMON AREA LANDSCAPE CHANGE REQUEST"

Submit two (2) sets of the completed application to: Campus Commons Clubhouse Office

Note: Applications may be returned to the homeowner due to incomplete information, for clarification, additional information, or other reason. Upon response to the stated needs and/ or deficiencies, applications must be resubmitted for consideration. The Village 4 Homeowner's Association is not responsible for project delays due to returned applications.

CAMPUS COMMONS VILLAGE 4 MAINTENANCE AGREEMENT

This agreement is entered into by and between Campus Commons Village Corporation No. Four, Homeowners Association, A California Corporation, herein called "Village Four", and by the applicant for the landscape change, herein called "Homeowner".

- 1. **Mechanic's Liens:** Homeowner agrees to use the proper contracts, make timely payments to contractors and pay attention to all other such details to prevent the issuance of a mechanic's lien that may impact Village Four.
- 2. Hold Harmless: Homeowner agrees to defend, indemnify and hold harmless Village Four, its members, Board of Directors and Management Agent from and against any and all liability, damages, costs, losses, claims, and expenses as a result of the approval, installation, or subsequent maintenance of the change.
- 3. **Maintenance of Change:** Homeowner agrees to maintain approved changes and keep free of hazardous or dangerous conditions in accordance with the general maintenance and condition of Village Fours as a whole. Should the Homeowner fail to maintain the change as required, Village Four has the right to perform required maintenance or remove the change at the Homeowner's expense.
- 4. Village Four Maintenance: In the event that Village Four performs maintenance, repairs or replacement to the structure of any common area, at or near the change that requires the temporary removal or protection from damage to the change, the Homeowner shall remove or provide necessary protection upon request by Village Four or its authorized agent. In the event that the Homeowner fails to comply with any such requests from Village Four, the village may immediately affect such removal or protection as necessary to carry out such maintenance, repairs, or replacement. The cost of removal or protection shall be paid by the Homeowner and will become a lien and collected in accordance with association collection policies, if unpaid.
- 5. **Damage:** Homeowner shall reimburse Village Four for the costs of any and all direct or consequential damage as a result of the change.
- 6. **Building Permits:** Homeowner shall determine whether any permits are required. Homeowner shall apply for, and obtain at their sole expense, all required local, county and state building permits, zoning variances or other special permits respectively. Homeowner shall comply with all terms of any such permit of approval and provide the Architectural Change Committee with a signed copy of the final building permit.
- 7. **Attorney's Fees:** If any legal proceeding is commenced between the parties with respect to the subject matter of the Agreement, the successful party in such proceeding shall be entitled to reasonable attorney's fees as determined by the court.
- 8. Assignment: This agreement shall be binding to all parties and their respective successors and assigns.
